

HAMBLEDON PARISH PLAN

Your views, concerns, and opinions are important

Hambledon is producing a Parish Plan, which is a vision for the future of the Village that encompasses the whole community's views and therefore allows people to have a greater say in their own affairs. This first Questionnaire is designed to capture your overall input on how you view Hambledon as a community. It will be followed in future editions of the Hambledonian with more detailed questions covering; Public Services, Facilities and Environment; Village Groups and Activities; and, Local Shops and Businesses, and they will be the prime vehicle for you to comment on these facilities and amenities and how you would like to see them change in the future.

Results from this and subsequent questionnaires will be published in the Hambledonian and be made available to the Parish Council and all local shops and groups so that they can take your views into account.

This information will then be compiled into a Parish Plan which must be taken into account by local authorities in their decision-making processes. It will also provide evidence of local need which will help to secure funding to make things happen.

Please ensure that your completed questionnaire is returned by 31st August 2010 at the latest

Thank you.

Please return your completed questionnaire to one of the following collection points:-

The Peoples Market; Lotts Stores; The Vine, or the Church of St Peter and St Paul
